Lenten Scripture Study – The Psalms

Plan to join us this coming Lent as we continue a year long two part study of the Psalms. This Lenten season we will spend time studying the Psalms of Lament and the Royal Psalms. No previous scripture study experience is needed. This scripture study is independent of the study from this past Advent. If you participated in Advent, we hope you can join us again. If you did not participate in Advent and are interested in this study, please join us– all are truly welcome. We will use materials from the Little Rock Scripture Study program.

We will be offering the same study at two different times to accommodate different schedules.

All who have faith in Christ and are baptized have an obligation to deepen and broaden the community life of their parishes. Some pastoral roles are specifically defined, filled by priests, deacons, religious or laity. But even these roles exist to enable all parishioners to work toward this building of community.
