### Are you interested in learning more about the Catholic faith?

Perhaps you have been worshiping with us, but have never taken steps to become Catholic or perhaps you have joined us from a different denomination but are now being called to the Catholic Church. Our RCIA program (Rite of Christian Initiation of Adults) is the process through which non-baptized individuals or those baptized in another denomination become members of the Catholic Church. RCIA is also available to someone who may have been baptized Catholic but has not received the sacraments of Eucharist or Confirmation. To learn more about the RCIA program at St. Peter's please call Anna Molettieri at 617-547-4235 x17 or email at [amolettieri@saintpetercambridge.org](mailto:amolettieri@saintpetercambridge.org).

**WE PRAY FOR**

Those who are having a difficult time in their lives; the imprisoned and the addicted; the hungry and the homeless; those who suffer abuse at the hands of another; for Max Ciarlet, Joseph Cloherty, Stewart G. Wasoba, Cynthia Lopez, Mary Folan, Denis Sullivan and all families and caregivers; and for all who have asked for our prayers. The names of those for whom we pray will be on our prayer list for a period of 4 weeks. If you wish to keep any name in the bulletin for a longer period, please email or call the parish office: **[petercambridge.org](http://petercambridge.org)** or **617-547-4235**.

**FROM THE PASTOR'S DESK:**

On behalf of all the Staff I want to wish a very Happy Father's Day to all the fathers, step-fathers, god-fathers and all who fulfill that role in another's life! Know that you are remembered and prayed for in all of our masses this weekend.

On another note – as of this writing (Wednesday morning) we have received just over \$10,000 toward the air conditioning. Thank you!

**Saint Peter/Saint John Future Collaborative News**

The leadership teams (staff, pastoral and finance councils) of both parishes, along with representatives of the Haitian Community of Saint John Parish met for a second time this past Wednesday at Saint Peter Parish. Working from where we left off at our last gathering at Saint John's, we spent some time exploring the "who we are and what we do" of all three groups.

After praying Evening Prayer in the Church, we gathered in the Parish Center to share information on the prayer, sacramental, activity and financial picture of both parishes. For Saint John's, this included a picture of both parish and Haitian communities; and for Saint Peter's a picture of parish and school life.

Over dinner we worked on examining possibilities of things that we could begin to do now to help parishioners better understand and be able to transition more easily to the future collaborative. A number of wonderful suggestions were raised that are both helpful and easily accomplished. With a great spirit of cooperation and enthusiasm we ended the evening with plans to meet again in the fall and work on implementing some of the suggestions.

**Evening Prayer, Adoration and Benediction Wednesday, June 18**

7:00 to 8:00 p.m. Please join us for this prayerful time to be with the Lord.

**Air Conditioning the Church**

For some time now, we have been looking at the possibility *of air conditioning the church.* I feel that now it's time to move ahead, and I have a proposal for you.

We will commit one half of the cost (estimated to be in the neighborhood of \$100,000) from parish savings, and are asking parishioners to contribute the balance. I believe that together we can make this work and that by sometime this summer we can have the comfort of air conditioning in our worship space.

Please let me know what you think! (Also, please know that no donation is too small – or too large.)

**Dinner and Discussion****What Feeds You Spiritually?  
Sunday, July 13th, 6:00 p.m.**

Join us for another light dinner and discussion—this time about what feeds you spiritually. Three parishioners will share their perspectives and experiences, followed by a general discussion.

Please call or email Bob Flaherty to let us know you are attending. 617-547-4235 x16

### Please Help This Summer at Harvard Square Churches Meal Program

We are very happy to help the Harvard Square Churches Meal Program again this summer. The program began in 1982 as an ecumenical ministry of ten churches in Harvard Square. It serves a nutritious sit-down dinner to over 120 people every Thursday at Christ Church, Zero Garden Street. The program attracts many college students to help set up, serve and clean up the meal. In the summer months, as the college students leave the area, the program's need for help is greater.

We are hoping St. Peter Parish can help fill this gap of volunteers this summer, every Thursday from June 5<sup>th</sup> through August 28<sup>th</sup>. Volunteers need to arrive between 5-5:15 p.m. The church doors open for guests at 5:30 and dinner is served at 6:00 p.m. Clean up is 7-7:30 p.m. Only eight volunteers are needed each week. It is important that you sign up in advance. If you have any questions or to sign up, please contact Anna Molettieri at 617-547-4235 x17 or [amolettieri@saintpetercambridge.org](mailto:amolettieri@saintpetercambridge.org).

### Food Donations Needed

*For I was hungry and you gave me food*

Helping Hand Food Pantry provides groceries and referrals to individuals in need of assistance. They serve between 300 and 400 households each month. The pantry is an outreach ministry of St. James Episcopal Church with a location in the Fresh Pond Apartments.

For the summer months we are collecting cereal, pasta and peanut butter. Please help us to feed our neighbors! You may leave your donations at the doors of the church. Thank you!

We are looking for one or more individuals who may be able to help transport our donations to the pantry (biweekly or monthly) during their hours of operation (Tuesday, Thursday, Saturday daytime hours). To learn more, please contact Anna Molettieri at 617-547-4235 x17 or [amolettieri@saintpetercambridge.org](mailto:amolettieri@saintpetercambridge.org).

## Summer @ St. Peter

Come to Summer Camp at St. Peter! For students in K - 8

### Camp WOOT (K1 - Grade 4)

Spend the summer with friends and teachers at St. Peter! We'll do lots of moving and making. Through weekly themes, campers will be very creative. Art projects, hands-on science experiments, design-and-build challenges, and lots of time playing games and relaxing at the park. Our program will include games, sports, creative activities, and field trips. Camp will run from 9 - 3 each day with extended day options from 8 - 9 in the morning and 3 - 5:30 in the evening. Camp sessions start on June 23rd and end on August 1. Weekly themes include School's Out! Let the Games Begin; Stars and Stripes Forever; All Aboard! Planes, Trains, Automobiles...and Boats; Habitats and Homes; Blast from the Past; and Around the World. Sign up for one week or all six.

### TECH CAMP (Grades 5 - 8)

Calling all innovators! Would you like to build a website? Learn some HTML? Design your own video game? Launch a new idea? At Tech Camp, you'll have the chance to innovate and create.

Develop your programming skills and experiment with robotics. In a relaxed learning environment, Mr. Mahmud will lead students through week-long projects and daily design challenges. With a low student to teacher ratio and a flexible schedule, campers will benefit from individualized instruction and the chance to bring their ideas to life. We'll participate in several Maker Camp activities on Google+. This summer, develop important STEM (Science, Technology, Engineering, and Math) and skills while having a blast! We'll spend lots of time playing games outside and off-line, too!

All five (week-long) sessions are unique and, while campers are encouraged to register for all five weeks, students are welcome to enroll in just one, two, or any number/combination of weeks.

#### Who should attend Tech Camp?

Tech Camp is geared toward students with Grade 5-and-up-level computer skills. There are no rigid pre-requisites and no prior programming/coding experience is absolutely necessary. Each week's curriculum has been carefully designed to both accommodate and engage novices and to interest and challenge experts as well.

If you have any questions about determining your child's computer skills level or are unsure if Tech Camp is a good fit, please feel free to email Mr. Mahmud at [socialstudies@saint-peter-school.org](mailto:socialstudies@saint-peter-school.org) or Miss Somerset at [margaret.a.somerset@gmail.com](mailto:margaret.a.somerset@gmail.com).

#### Tech Time @ Camp Woot

Do you have a 2nd, 3rd, or 4th grader who loves building/making/tinkering and all things tech? Younger students who are registered in Camp Woot will have the opportunity to participate in daily "tech time" activities during their own camp days as well! (No cross-registration is required for Camp Woot campers who are excited to do some tech stuff this summer, too.)

**Information and registration forms are available in the Parish Office. If you would like to read more about each session, email [margaret.a.somerset@gmail.com](mailto:margaret.a.somerset@gmail.com).**
